RECORD BOOK
FOR
4-H LIVESTOCK MEMBERS

"TO MAKE THE BEST BETTER"

THE ACTIVE 4-H CLUB MEMBER:

1. Knows the 4-H Pledge:

I pledge.....
My Head to clearer thinking;
My Heart to greater loyalty;
My Hands to larger service; and
My Health to better living, for
My Club, my Community, and my Country.

2. Practices the 4-H Slogan:
"TO WIN WITHOUT BRAGGING AND TO LOSE WITHOUT SQUEALING."

3. Remembers the 4-H Motto:
"TO MAKE THE BEST BETTER."

4. Completes one of the regular club projects.

5. Keeps a complete project record.

6. Accepts responsibility.

7. Attends and takes active part in local and county 4-H meetings.

8. Helps to develop the 4-H spirit which includes enthusiasm, determination, loyalty, obedience, honesty, energy, tolerance, sportsmanship, service and cooperation.

9. Has his enrollment card on file in county office.

10. Makes an exhibit of his project work.

OTHER DISTINGUISHING FEATURES OF ACTIVE 4-H CLUB MEMBERS ARE:

4-H Club members are demonstrators—they learn and teach better ways on the farm, in the home, and in the community.

4-H Club members work, earn money and acquire property.

4-H Club members do the needful, the wholesome, the helpful things. They become leaders.

4-H Club members play the game fairly.

4-H Club members meet together, play together, cooperate, achieve.

4-H Club members build up their bodies and their health through right living; they train their hands to be useful, their minds to think clearly; their hearts are kind.

4-H Club members have high ideals and standards. They serve.

4-H Club members are doers.

INSTRUCTIONS FOR KEEPING YOUR RECORD BOOK

1. Keep this book in a convenient place.
2. Read each page carefully before beginning to fill it out.
3. This book may be used for any of the livestock club projects. [Note.—Holes have been provided for attaching supplementary sheets.]
4. Each month's record is divided into two parts, the **Project** and the **Member's**. The explanation of each is as follows:

a. **Project Record:**

1. **Kinds of Feeds:** List the kinds of feed fed during the month such as, corn, bran, tankage, skimmilk, etc.
2. **Quantity:** Put down the number of pounds. (See page 20 for table to help figure costs per pound.)
3. **Price:** Use price lists furnished quarterly by the Extension Service.
4. **Costs:** Record in the Cost column the total value of each kind of feed consumed.
5. **Other Expenses:** List other expenses such as money paid for equipment, veterinary fees, trucking, etc.
6. **Notes:** Include information on management.

Summary:

The summary for each month should be completed. (It is not necessary to weigh the stock each month unless scales are convenient.)
(Fill in only such blanks as apply to your project.)

b. **Member's Record:**

Record events as soon as possible after they have occurred.

THE VALUE OF YOUR RECORD BOOK

This record book is of most value to the one who keeps it. What it is worth depends upon:

1. **Accuracy:** Every item put down should be accurate. The member should check his figures so that no mistakes are recorded.
2. **Neatness:** Each page should be neat and clean. Such books are easily read and are attractive.
3. **Completeness:** A record book is like a building—it is most useful when entirely finished. No incomplete record book can score high. It isn't a record unless it is complete.
4. **Pictures:** Good pictures are a story in themselves. Pictures showing the animal at the beginning of the feeding period, and at the close, of the barns, yards, equipment, club tours, meetings, are all desired in a good record book. Try to get a good background for your pictures.
5. **Story:** A story written by the club member telling of his club experiences, how he became interested in the 4-H Clubs, of what he has learned, about club trips, etc., is a very important part of a record. The story should also include information about feeding and management, gains, costs and other items of interest.
6. **Information:** The record should give useful information. This includes rations fed, cost, rate of gain per day and cost of gain per pound. Cheapness of gain shows good management.

IMPORTANT:

Save your record books from year to year. Use information from them in making up your long-time 4-H record book.

Previous 4-H Club Work:

COST OF 100 POUNDS OF FEED AT A GIVEN PRICE AND WEIGHT PER BUSHEL

This table is to aid in comparing feeds on a 100-pound basis and in determining the cost of a ration. If it is desired to find the cost of 100 pounds of oats when it sells for 20 cents per bushel, follow down the column under the heading "Price per bushel" until the number 20 is reached; then to the right to the column headed "32" because there are 32 pounds to a bushel, where 63 cents is given as the price of 100 pounds of oats. Prices per bushel are often misleading because of the differences in the bushel weights. Ear corn at 40 cents per bushel figures 57 cents per 100 pounds, while oats at 20 cents per bushel cost 63 cents per 100 pounds.

Roy Keppy Wins Awards in Swine Division at Fair

Roy Keppy of Sheridan township walked off with most of the prize money for his market litter and market pens of swine in the 4-H show at the fair Tuesday. He took first place in the market litter, and first in the heavy class of market pen pigs. He also showed the champion market barrow.

John and Ralph Druhl of Buffalo took practically all of the awards in the Duroc Jersey classes, while Ruth Clark of LeClaire cleaned up in the Poland China classes. Lorenz and Eleanor Paustion of Walcott won the money in the Spotted Poland classes, and Kenneth Dietz, also of Walcott, took the big money in the Chester White division.

Clifford Eckerman, Davenport R. R. 1, won first place in the light weight division of the market pens and Albert Keppy took second. Howard Hamilton of LeClaire placed second to Keppy in the heavy pen class.

Horses

Judging of the horses was completed Tuesday afternoon with Herbert Schneckloth and his son, Donald, Davenport R. R. 3, Roy Curtis and Lee Clark and Sons of LeClaire, taking most of the money.

Clark took first place with his four-year-old stallion and his four-year-old mare. Schneckloth took first in both mare and stallion classes of three-year-olds and also had the champion stallion and mare of the show, as well as the champion stallion and get-of-sire.
